Gentlemen:

After checking over the reports submitted on the following well, we have found that our files are incomplete. According to our records, an eleltro log and a Log of Oil or Gas Well has not been filed in accordance with Rule C-5 (a) of our rules and regulations:

Well No. MONSLAVE 2
Sec. 4, T. 42 S., R. 12 W.,
Washington County, Utah

A Log of Oil or Gas Well should have been filed with this Commission as well as a copy of the electric and radioactivity logs, if run, within ninety days after the suspension of operations on, abandonment of, or the completion of any wells drilled for the production of oil and gas. Therefore, we are requesting that you complete the enclosed Forms OGCC-3, Log of Oil or Gas Well, in duplicate, for the above-mentioned well. Also, please furnish us with a copy of all electric logs run.

Your assistance in this matter will be greatly appreciated.

Very truly yours,

Gentlemen:

In the matter of a request for filing of log on the following:

Well No. Monsalve 2
Sec 4, T. 42 S., R 12 W
Washington County, Utah

A Sundry Notice and Report on Well was made May 30, 1959 and approved June 24, 1959 by the District Engineer Mr D. F. Russell. There is nothing further to report, as there was no log made on this well.

We would be very happy to cooperate in any way with your Commission for the evaluation of any work we should do in the future. Unfortunately our associate Mr O. B. Pelt is deceased and being unfamiliar with the details I can not give you any further information except what was on the abandonment report.

Yours truly,

Carlos A Monsalve
